~ At St George We believe in Quality ~

August 2006

## Graduates

Many will be leaving St George this month and pursuing careers or furthering their learning as they finish studying at St. George. The students leave these doors with a greater understanding of the English language and how New Zealand operates. We wish all of the students who have finished studying at St. George the best of luck in the future.

## Shared Lunch

In July the students enjoyed a shared lunch. The students brought food from their home country. Food from Saudi Arabia, Japan, Korea, Uzbekistan, and China tantalized the students' taste buds. A fantastic time was had by all. This was a great opportunity for the students to get to know one another and to find out what life is like in the homeland of their fellow students.

## Ski Trip

At the beginning of this month nineteen students embarked on a skiing trip. The students stayed in Taupo at the Tiki lodge. They showed their skills on the Whakapapa ski field at Mt Ruapehu. Mt Ruapehu is located in the central north Island in the Tongorero national park. By far the best place for skiing in the North Island of New Zealand. The lucky group traveled down by bus, piloted by St. George's own principal! After a day of hitting the slopes the crew retired to the Taupo hot springs where they enjoyed a BBQ and a time to rejuvenate sore and aching muscles from a long day of skiing. On the way back to Auckland the group stopped in Rotorua to experience the beauty of New Zealand's natural mud pools.

## Next Intakes
