June 2006

Activities

St George has had Many planned activities this month. There was a soccer game and BBQ planned for Thursday 11th of May, but unfortunately because of the rain this had to be cancelled. This did not hurt the spirit of the students, they still enjoyed themselves and found ways to have fun despite the rain. The Pre-intermediate class went for a tour of the city, and talked to café and shop owners in English. The Intermediate class all went out for lunch together. It was a time of getting to know one another and Auckland City.

There has also been the continuation of the Friday afternoon movie. So far this month we have shown New Zealand's own "The Chronicles of Narnia; The Lion The Witch and the Wardrobe", and also from Japan, Hayao Miyazaki's "Howl's Moving Castle". This is a good way for the students to interact together, it also helps the students English by watching English movies with English sub titles so that they can read along while the characters are talking.

Queen's Birthday

This year New Zealand celebrates Queen's Birthday on Monday May 5th.

This is a public holiday so students and workers have a long weekend.

This is day is not observed on the Queens actual birthday (April 21st).

Queens birthday week end is traditionally the opening of the sky season in New Zealand as it is the first long weekend within the colder months.
