St George on Water!

All sixteen of us climbed aboard the catamaran "Caprice", knowing that the water was deep and now was not a good time to go swimming. But, in fact, we all had a great time!

The trip lasted three hours and, no matter what we did, it just went too quickly! We sailed out of the harbour, beyond Devonport, past Birkenhead and back; taking in a perilous bungee-dive from under Harbour Bridge and even going past New Zealand's navy (on that day, comprising 4 ships, two of which were survey ships).

The host and hostess (Frans and Antonia) were wonderful, giving us all the information, tea, coffee and time in the world!

Next time we go, come with us!

Great News

We, at St George, are proud to introduce you to our Bachelor of Business course, with majors in Accounting, Management, Employment Relations, Information Systems & Technology and Marketing, in association with the Open Polytechnic of New Zealand,.

This degree will commence in February 2005. Please do not hesitate to contact our friendly marketing personnel regarding the entry requirements for this course, and to discuss the conditions for credit transfers from your diploma to this degree.

We hope to see you here!

Staff at St George

We welcome our new teacher Johan van der Colff who is our General English class teacher. He is first from the left, back row.

Our photo shows some of the teachers and administration staff, who will direct and assist the students throughout their stay at St George.

We welcome you to join our St George family.
