Welcome speech by Principal

"Welcome to our friendly school in clean, green New Zealand, an island nation with close ties to Asia, Europe and South America. We will challenge and guide you while you prepare for study at university."

- Kevin Moncur

Fee Protection Notice

Great News! From 1st September onwards, St George students' fees are now secured and monitored by the Government-backed agency THE PUBLIC TRUST.

Fee Protect is a student fee trust account which ensures you receive a refund on student fees - held in trust - if your education provider is unable to complete your course. This could be because of closure, insolvency, loss of NZQA accreditation or course withdrawal.

For more information, call 0800 494 733 or visit www.publictrust.co.nz

Do you remember Kim?

Big voice, a good cook, a party planner, and an unforgettable humorous aunty, a great supporter. Do you remember Kim? She is a brave woman who flew all the way to New Zealand for a new Life.

She used to play her role as our mother, friend, and friendly neighbour and as an ordinary student among all the young students at St George. She had the longest attendance record we have ever had in St George's history, which is 72 weeks. She finally left us last month. On the last day when she had a party in her class, Kim sang a Korean farewell song, Kim and Petal burst into tears. She said she was really attached to Petal and St George. She is planning to stay in New Zealand, taking care of her granddaughter, Jisun and to take some rest for a while. All the best to Kim!
